

Below are "before and after" images of just some of the updates we have introduced.

NEW BYBLOS MOBILE BANKING APP

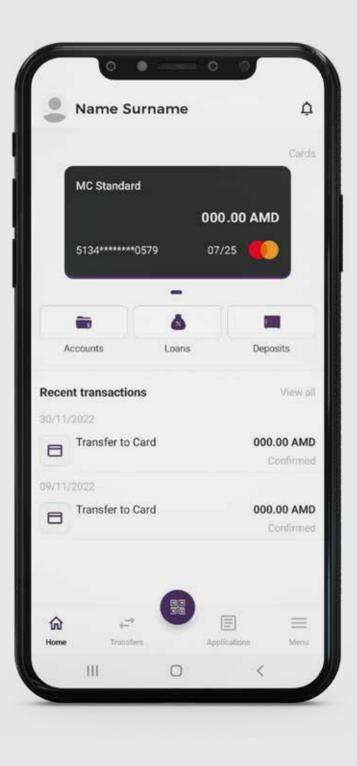

Byblos Bank Armenia's Mobile Banking app has been updated and improved to ensure a seamless and secure experience for users.

NEW AND CONVENIENT INTERFACE

BEFORE

AFTER

The new app delivers a consistent, user-friendly experience with a new interface that ensures more efficient transactions and a more convenient way of making payments.

TRANSFERS AND PAYMENTS

Applying for a deposit, meanwhile, has become more effortless. Thanks to the improved metrics you can now manage your finances more accurately.

EASY APPLE PAY PROVISIONING

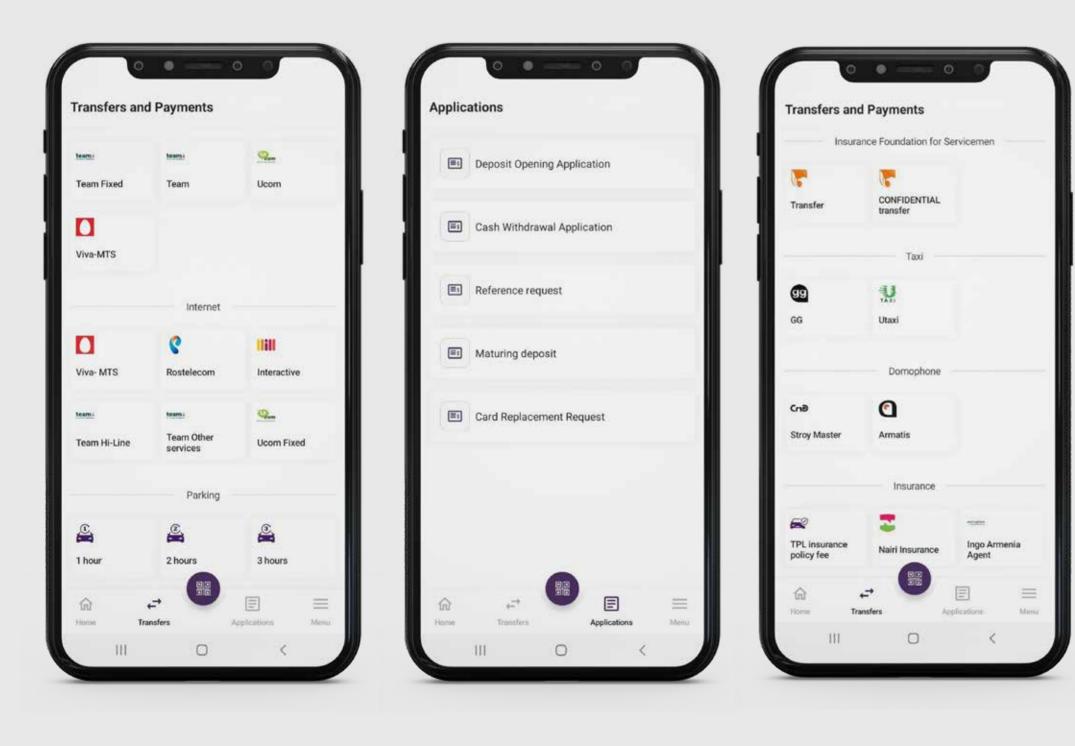

The new app is also a convenient tool for adding your card to Apple Wallet for contactless payments.

USER-FRIENDLY EXPERIENCE

The reliable security system, the easy verification process and the overall quality of the software make the app a good all-in-one solution for everyday use.
