NOTICE OF NON-FULFILLMENT OR EARLY REPAYMENT OF LOAN OBLIGATIONS

In case of non-fulfillment or improper fulfillment of credit obligations by the Borrower, the Bank shall be entitled to receive a reimbursement at the expense of the Borrower's property. The Bank shall be entitled to foreclose the property via in- and out-of-court proceedings and direct the funds from the foreclosure to the repayment of the debt and consequently, the owner of the property may be deprived of their property. In case of payment delay of the loan or part of it, as well as of accrued interests, the loan interest rate defined by the loan agreement shall not be applied on the overdue loan amount and the Bank will apply a 24% annual interest rate to the amount owed by the Customer for each due day. No other fees are charged for overdue amounts.

The Borrower has the right to repay the loan or a part of it prematurely. In case of partial early repayment of the loan, the Borrower may decrease the Loan tenor, leaving the monthly installments the same, or decrease the amount of monthly installments.

CREDIT HISTORY

- Credit history is information about a borrower's obligations, showing their debts, payments, payment habits and/or data about their obligations and/or fulfillment of said obligations.
- Credit information providers are ACRA member organizations (banks, credit organizations, insurance companies, organizations carrying out deferred payment transactions, as well as state bodies that provide information about individuals from public databases to the credit bureau in accordance with the procedure established by the Government of the Republic of Armenia), which provide information (data) about the borrower.
- If there are incorrect or incomplete data in the borrower's credit history, then for the purpose of clarification and correction, the borrower, in accordance with the provisions of Article 20 of the Law "On Circulation of Credit Information and Activities of Credit Bureaus" of the Republic of Armenia, may inform the credit bureau or directly contact the credit information providers (listed above). To do so, the borrower may submit a written application to the credit bureau or apply online from the "My ACRA" portal. The process of accepting/receiving, discussing and responding to customer complaints regarding credit reports provided by ACRA, as well as actions that may follow are defined by the Dispute Resolution Procedure of ACRA Credit Reporting CJSC.
- When making a decision on loan approval, the Customer's credit history information must be no older than 15 days.
- Under the Bank's internal regulations, the credit history retention period is not limited.
- The study and analysis of credit history by the Bank is carried out in accordance with the minimum terms and conditions defined by the internal legal acts of the Bank.
- A bad credit history can serve as a basis for tightening the terms of new loans (as well as other banking services) or their non-provision at all.

Credit Score

To evaluate a customer's creditworthiness, Byblos Bank Armenia employs its own credit score, which also incorporates the FICO score.

Byblos Bank Armenia's credit score reflects both the Customer's behavioral and socio-demographic assessments.

FICO score is a scoring system which provides a numerical assessment of the Customer's credit risks. The score is based on the statistical study and analysis of the Customer's credit history.

The score is important because it enables an automatic decision on whether to approve or deny a certain type of loan.

Byblos Bank Armenia's credit score is influenced by the FICO score, the Customer's age, income, employment status and other factors.

Steps to improve your credit history and credit score

Given that the credit score incorporates the FICO score, which reflects the customer's credit history, enhancing the FICO score is essential for improving the overall score. This involves clearing all overdue payments and ensuring that there are no overdue liabilities, even if just for one day, on current loans.

Communication is carried out in a manner convenient for the Guarantor.

The Bank is obliged to notify the Guarantor about the change in the terms of the contract seven days in advance.
